*Brimfield is Back!*

Three times a year, the Brimfield shows attract thousands of dealers and show-goers from around the world looking to stroll down Memory Lane, add to their collection, find that perfect piece for that special spot or discover a new DIY project. Unique and eclectic old and vintage finds share the fields with antiques from all eras, repurposed projects, and decorative embellishments. A photo gallery of Brimfield finds can be found on our Instagram page @journal\_of\_antiques, a great way to experience Brimfield if you can't get here to do it in person – as is our Facebook page.

With 21 show fields and venues, some open daily and others only open for a few select days during the Show week, it is hard to know where to start. Our best advice is to consult with the Show Schedule (page 3) to see what shows will be open while you are here, consult our Map (page 5) to see where each show is located along Route 20, and then start walking until something catches your eye. Our bet is you won't have to walk too far! Each show field has a community of professional dealers with a dazzling array of merchandise waiting to welcome you and answer your questions.

We hope you find this *Brimfield Show Guide* useful, here at the Brimfield shows for local places to stay, dine, and shop, and for learning about other upcoming antique and collectibles shows taking place around the country. You will also find a Shop Finder Guide for places to stop and antique shop along the way. For a more complete Calendar of Shows please visit our website at [www.JournalofAntiques.com](http://www.JournalofAntiques.com).
